

Quarterly

Event

Details

The Commitment

- We ask each member to commit to donating \$100 per quarterly meeting (\$400 per year).
- The donations will be given directly to a 501(c)3 non-profit organization serving our community.
- The purpose of the contribution is to stay 100% local; therefore, charities benefiting a broader national audience will not be considered. Nationally chartered organizations can be considered if the funds will be used locally.

The Event

- Members will check-in and provide their \$100 blank check to our trusted board members.
- Members will also receive a nominating ballot and a voting ballot.
- Members can nominate a charity for consideration.
 - If you nominate a charity and your name is drawn, you are responsible for presenting to the group.
- Previous organization/charity recipient will be invited to share the impact of our donation.
- Three of the nominated charities will be randomly drawn for the opportunity to present to the group.
- Each of the three nominees will make a short presentation explaining why we should support this local cause.
- Members who are present will vote on which cause most deserves our support.
- Votes will be tallied and majority rules.

The Donation

- After each event, the chosen organization/charity will be notified and receive our donation. The charity must agree not to contact the donors for further donations or otherwise use donors' personal information. The organization will also be invited to come to our next event and share the impact our donation made for them.

Other Notes

- Although the winner may not be the preference of all members, each member is still obligated to provide her \$100 check towards the chapter's donation.
- For taxes and other purposes, all checks will be made out directly to the chosen organization.
- If a member is unable to attend the meeting, it is her responsibility to give her \$100 blank check to another member to bring to the meeting, or she can mail her check immediately following the meeting. (Please email 100womenwhocarecv@gmail.com to confirm the charity and obtain a mailing address to send your check.)
